**TYPICAL
APPLICATIONS**

Note: This acid based cleaner will etch limestone, marble, travertine, concrete and masonry surfaces. It will corrode surfaces such as metals and surfaces sensitive to acids.

Note: To insure product performance and satisfaction, Always pre-test this product in an inconspicuous area. This product may darken some surfaces! User must determine suitability of product for their intended use.

DIRECTIONS

- Always cover and protect surrounding surfaces not intended to be cleaned. Always wear protective equipment before using.
- Make sure all surfaces to be cleaned are swept or vacuumed to remove loose debris.
- Apply solution of **TILE & GROUT RESTORER** with a clean mop, towel, sponge or sprayer.
- Agitate with a scrub brush as needed.
- Remove using a clean wet sponge, towel, or damp mop.
- Rinse area well with clean water.
- Reseal area treated with appropriate sealer/impregnator.

USES

Kitchens

Bathrooms

Floors

- Driveways
- Exterior Facades

- Garages
- Walls

- Patios
- Interior/Exterior

MAINTENANCE Natural stone needs to be cared for properly. Natural stone, tile, grout and masonry will maintain its beauty and last longer, repel stains and soils effectively, when treated with the proper stain protection and cleaning products. This application does not eliminate the need for routine cleaning/protection methods and maintenance. **International Stoneworks, Inc.** makes a full line of products for stone protection and maintenance.

**SAFETY
PRECAUTIONS**

- ☞ KEEP OUT OF REACH OF CHILDREN.
 - ☞ CORROSIVE! Avoid contact with eyes and skin. Wear eye, glove and skin protection when using this product. Do not take internally.
 - ☞ Do not mix with strong alkaline materials. Will corrode metals and surfaces sensitive to acids.
 - ☞ Use only as directed. Do not breathe spray or mist. Use this product with adequate ventilation. Keep container closed when not in use.
 - ☞ In case of contact with skin or eyes, flush with clear water for at least 15 minutes. If irritation persists, get medical attention.
 - ☞ Please read and consult MSDS before using.
